No. 14

New foundation to improve WSC

A non-profit organization for the benefit of WSC was formed May 16.

Twenty-three men and women indicated that they would sign articles of incorporation to apply for a certificate of incorporation from the secretary of state. Steps will also be taken to secure tax exempt status.

THE PURPOSE of the corporation, to be called the Winona State College Foundation, will be to receive, manage, and apply funds for the improvement of the college.

Membership in the foundation will be open. Members will elect directors, and committees will be named from the membership to supervise various aspects of the foundation.

Committees might include scholarships, building, and investment

committees, Harold Streater, Winona attorney, said in explaining the proposal.

Also present, representing the college, were President Nels Minne, H. G. Rygmyr, president of the alumni society, S. J. Kryzsko, resident director on the State College Board, and Harold Murck, WSC business manager.

AT THE PRESENT if someone wishes to give or bequeath money or property to the college it can be done only by either giving it to the state with detailed instructions to administer and expend funds for the benefit of the college or by establishing a special trust.

Neither procedure is satisfactory. The first removes the funds from local control and the second is cumbersome, particularly where small funds are involved.

Murck explained that a foundation would be an advantage from a bookkeeping standpoint. The college has more than 20 accounts, all under state jurisdiction. The foundation would make expenditures directly without involving state bookkeeping.

KRYZSKO stated that two other state colleges now have such foundations and others are forming them.

He said that one of the many financing activities of the foundation might be aiding in raising one-third of the cost of the proposed student union.

The original foundation incorporators are: A. L. Nelson, William P. Theuer, Dr. G. L. Loomis, Phillip A. Baumann, James T. Schain, Adolph Bremer, Howard Keller, C. C. Currier, R. H. Bublitz, William M. Hull, A. B. Youmans, G. M. Grabow, Kermit R. Bergland, Wendell Fish, Mr. and Mrs. C. D. Tearse, Mrs. Lucinda H. Bierce, William S. L. Christensen, Kryzsko, Streater, Dr. Minne, Rygmyr and Murck.

Music concerts highlight end of spring quarter

The WSC Orchestra's spring concert was presented May 21 in Somsen Auditorium.

The featured soloists were Carole Greenwald who played "Piano Concert No. 1" by Beethoven and Karen Kruezer who played "Violin Concerto in A Major" by Mozart. Both soloists gave excellent performances.

The orchestra, under the direction of Richard McCluer, played two selections, "Oberon" by von Weber and "Symphony No. 1 in C Major" by Beethoven.

THE Rhythmasters of WSC gave their last jazz concert of the season, May 19 in Somsen Auditorium. Among the highlights of the program were "Medium Rare," "Doodle Dee Do," and "Jazz Suite."

Pat Uhlig and Linda Heyer were the featured vocalists of the evening. Fred Heyer is the director of the Rhythmasters.

'Towners' have to walk; lack of parking space

President Kennedy's 50 mile hikes seem to be getting quite a challenge by one of WSC's own forms of exercise.

We "towners" are now walking further to class than the students living in the dorms. At one time we could park within eye-sight of the building our class was in.

THE STATE even saw fit to furnish a parking lot for us when the parking situation grew worse and we had to actually look for a place to park.

But then fate worked against us. Amendment Two was passed and work progressed on the new Fine Arts Building. This was great; WSC was progressing!

But wait! That power shovel is digging up our precious parking lot! That is too great a price to pay for progress.

Now that our lot is all torn up we "towners" are forced to drive around scores of blocks searching for a parking place within range of our pedestrian capabilities.

WE DO REALIZE, HOWEVER, that this extra driving is adding to the State's coffers through the gasoline tax, but the frustration of not being able to find a place to park, at least one that we are capable of parking in, is unbearable.

To make this editorial constructive a suggestion is in order. Put in a driveway from King Street leading to the field across from Phelps. We could park on half the lot and still leave the other half for the physical education classes.

Another suggestion for free: paint parking spaces on the street so people will know where to park.

Daylight time confusing? Write to Congressman

This weekend Minnesota goes through its annual confusion concerning daylight time.

Sunday, May 26, all the clocks will be moved ahead an hour. This causes confusion because some people seem to forget to turn their clocks ahead (or is it back) and some people turn their clocks back instead of ahead.

This confusion extends to the college in that Monday morning students will be arriving for classes at widely varying times.

SOME WILL arrive in class precisely on time. They will be an hour late. Some, as usual, will be an hour late. They will be two hours late. Some will come an hour early. They will be on time.

Next fall the same will happen exactly in reverse.

One solution has been suggested to eliminate the whole time problem completely.

ONE MATHEMATICS teacher in jest is urging his history of math class to write their Congressmen to urge the world to go onto Greenwich Time.

This will solve the problem. With Greenwich Time every place on earth will have the same time. When it's midnight in Moscow it will also be midnight in Winona.

SO WHEN the clocks are all wrong Monday morning and you're late for class, remember The Winonan suggested Greenwich Time but you didn't write to your Congressman.

With spring come the annual flower stealers

Something new has been added to WSC. Well, it's not really new. It comes with every spring. The new activity is flower stealing.

With the setting of the sun and blooming of flowers, come WSC students who get a kick out of stealing flowers. Somehow they believe their status depends on the number of flowers stolen.

THE THOUGHT of buying or growing flowers never enters the mind of the "nature loving" student. If a student had to grow his or her own flowers the need for them would suddenly cease.

It seems strange that the same students who cry loud and clear when vacation days are "stolen" from them are the ones who have the most scented rooms.

These hypocrites should think seriously about the Golden Rule and wonder how they would feel if someone stole their prize flowers.

Editor explains editorial which tends to confuse

by James Schmidt
Managing Editor

Editors many times get into trouble because they write editorials. This editor wrote an editorial but didn't get into trouble, but he could have.

The editorial in the last issue of the Winonan was purposely written to be vague about which event we were criticizing.

THIS was done so that the group in question and the members of the group would not suffer the possible consequences of having the event stricken from the calendar next year.

But this vagueness backfired on me.

Mr. McCluer informs me that he has been approached by persons not connected with WSC about the editorial and why it concerned "the dirty language in West Side Story."

I USED West Side Story as an example in the editorial because it came to mind first. We in no way intended to imply that West Side Story should have been censored. Our apologies to Mr. McCluer.

In another editorial, one on this page in fact, we refer to a group known as "the Towners." This is our term to denote the group not living in the dorms. Commuters probably would be as good a word.

Many people seem to be surprised that this issue of The Winonan is coming out. It seems to be tradition that The Wenonah comes out after the last issue of The Winonan.

The Wenonah staff is to be congratulated both on their fine book and on the promptness with which it arrived on campus.

The Associated Collegiate Press rating of the Winonan for the first half of the school year arrived the other day. We slipped to first class from All-American.

We missed all-American by 30 points. This made me feel bad because one of the things I think cost us the top award was something I purposely did.

AN UNWRITTEN rule in journalism says that the nameplate on page one should not be below the upper third of the page (some say upper half).

In the homecoming issue of Oct. 11, number 3, I put the nameplate about two-thirds of the way down the page.

This act cost us points in front page makeup and All-American.

If by this time of year you are sick of seeing the Winonan, relax, this is not the last.

With a great deal of luck the Winonan will publish the fifteenth issue during finals week.

Spring love satirized; will it ever pass away?

by Jean Rau

"The bells are ringing for me and my gal." This could well be the theme song of many WSC students in the month of June.

Yes, spring brought the birds, Easter bunnies, May baskets and love to our beloved college. It is surprising to see the effect of love on college students.

NO LONGER do the big tough men slam the doors in the charming faces of the girls, but they gallantly open the door with love rays beaming from their eyes and a smile that is intended to be breathtaking, but only makes the girls wonder what the new brand of toothpaste is.

And look at the girls. The fluttering of the eyes by the girls is to convey the message "I like you" to the guys. But I rather think it only provides a mystery for them. They huddle to wonder what kind of goop the girls have bought now!

THESE gimmicks plus many more must have some effect according to the appearance of many new couples. Yes, the WSC campus is suddenly loaded with gooey eyed pairs of big, brave men and sweet, cuddly women.

For ten minutes between classes couples roam the halls holding tender hands and thinking, "Don't we make a gorgeous pair." If they could only see what kind of a picture they do make!

The loving couples park by the classroom, cherishing the last remaining moments before the bell rings.

THEY are oblivious to all others as they whisper their tender good-byes before running to class when the bell does finally ring.

HAVE YOU ever noticed the conversation of these love mates? It is reeking with comments as "Oh, Clyde's so cute" and "Isn't Fern darling." They seem to think they have a world of their own but somehow they are determined that everyone be included in their heavenly new world.

Too bad they can't enjoy each other without issuing bulletins every ten seconds on the unique and brand new thing called love.

Oh, yes, love has come and bells probably will be ringing in June. Spring will pass as will silliness of love. At least, let's all hope so.

(Editor's Note: If you want to take this article seriously, that is your business, but please don't write to me about it.)

Warriors repeat with hot bats

The defending NSCC champion Warriors took a back seat to no one in the hitting department Saturday, May 18 as they romped the Bemidji Beavers 16-4 and 16-3, specially for Parent's Day.

FOUR DAYS prior to the Bemidji game the Warriors split a pair with a die-hard Loras College, a repeat of their previous meeting.

WSC took the first Loras game 7-1 starting with a pair of runs aided by two errors and Gunderson's two-run double. Leonhardt added another in the third with a homer over the left field wall.

In the sixth, a pair of walks and a double by Leonhardt preceded by a single off the bat of Dilley, brought across two more runs. Kosidowski's double plated Leonhardt.

CHUCK WEISBROD and Jon

SCOOP . . . The third baseman scoops up the hard hit grounder and prepares to throw the runner out at first

combined their efforts to stop Loras and gave them their single run in the second off three singles.

A pair of strike outs and a perfect throw from left by Jon cut down a second runner stretching his luck and ended the frame.

In the second game Loras got all the runs they needed in the second inning. Two hit batters, a single, a double, and a walk, all off freshman left-hander Roger Roepke, scored the three runs.

Warrior runs came on a home run by Leonhardt and a run scoring single by Papenfuss.

Mark Dilley and Roger Leonhardt carried hot bats to the plate. Mark collected five hits in seven trips in the double header and drove in nine runs.

FOUR of Dilley's hits went for extra bases, three doubles and a home run.

Leonhardt slammed out three hits in five times up, two of them grand slam home runs in the second game, to give him a total of eight runs batted in for the day.

Chuck Weisbrod upped his record to a perfect 8-0 in the opener by scattering six Beaver hits. Two of the four runs off Weisbrod were unearned.

In the nightcap Jon Kosidowski won his fifth against one setback. Jon gave up seven hits and only one earned run while striking out out seven and walking two.

AFTER the first inning, the Warriors left little doubt of the outcome in the first game. WSC pushed over five runs. The big blast was a three run double by Dilley. Bemidji got a run in the second, but the Warriors came

back with three in the third, two on Dilley's homer.

A three run fourth inning, and Warrior scoring. Dick Gunderson five more in the fifth topped the belted a three-run circuit blast in the fifth frame.

WSC MANAGED only one run off Bemidji starter Mike Gerbich for the first four innings in the second game, but the Warriors broke loose for 11 runs in the fifth to sew it up.

Leonhardt's first grand slam, along with two-run doubles by Dilley and Dick Papenfuss topped off the inning which saw 14 men go to the plate.

Kosidowski cracked out four hits in five times at bat in the second game, two of them going for extra bases.

BULLETIN

The Warriors split a double-header with Mankato at Mankato Wednesday thus assuring at least a tie for the NSCC championship.

Weisbrod lost the opener 2-0; Kosidowski won the second game 8-3.

The Warriors may now possibly move into the NAIA playoffs against Stout State.

STRETCH . . . The first baseman stretches for the throw to first on the ball hit to the third baseman.

Pontinen sets record; Dahl win daily double

Larry Pontinen set a new school two-mile mark of 9:55.2 and was the only win registered by the Warrior crew which ended third in the meet.

State College of Iowa won first place going away with a total of 107 points to 40 for Platteville and 19 for WSC.

LARRY also finished third in the one-mile event to top his team mates.

Other Warrior places were: Bill Anderson, fourth in the 440 and 220-yard dashes; Mike Leahy, second in high jump; Bob Peterson, fourth in shot put.

Dennis Krizan, fourth in 100-yard dash; Tom Stiegen, fourth in pole vault; D. C. Dahl, third in two-mile run; Harry Davis, fourth in discus; and Don Olcott, third in javelin.

THE THINCLADS next traveled to Dubuque for a dual meet at Loras College. They dropped the meet 87-34.

D. C. Dahl was the only double winner for the Warriors. Filling in for Pontinen, who came up lame in the Platteville meet, Dahl won

both the one-mile and two-mile runs.

The loss gives the Warriors a final 1-2 dual meet mark for the season.

WARRIORS placing in the meet were: D. C. Dahl first and Dick Lietzau second in the mile run; John Lautigur third in the shot put; Bill Anderson third in the 440-yard dash; Mike Leahy second and Bob Stone third in the high hurdles; Duane Puetz third in the 880-yard run; Pete Lavelle second in the low hurdles;

Bob Peterson third in the discus; Tom Steigen third in the pole vault; D. C. Dahl first in the two-mile run; Lance Olcott first in the javelin; and Bernie Kennedy third in the broad jump.

Entertainers found at WSC? 'W' Club day is successful

by Jim Schultz

Have you noticed those sporty looking chaps with the brown felt hats and sunglasses at the last few baseball games?

No, they're not salesmen taking the afternoon off, they are salesmen who are working. Their product is entertainment and they are looking for prospective entertainers in the form of WSC baseball players.

HOT PROSPECTS include Jon Kosidowski and Rog Leonhardt with a second glance going to Chuck Weisbrod and a few of the other boys.

I was talking to Rog the other day and he is confident that the Warriors "are good enough to take on the nationals" and feels that the team's success is due to the fact that they are working as a well knit unit. Rog's philosophy:

Golfers drop 3 of final 4; Kowalczyk averages 77

The Warrior golfers dropped three matches and won one in the final two meets of the season.

At Eau Claire the linksters finished third in a triangular meet with Eau Claire State and La Crosse State.

THE WARRIORS lost to Eau Claire 13½ - 1½ and to La Crosse 11½ - 3½. Eau Claire beat La Crosse 18½ - 8½.

Low WSC shooter was Mike Kowalczyk with a 76. Bob Hogenson carded 79, Tom Thaldorf 82, Len Mayer 89 and Dale Olson 92.

Medalist for the meet was Ray McKenzie of Eau Claire with a 74.

AT ROCHESTER the luck was somewhat better as they split 12-3 and 9½ - 5½ with Mankato State and Luther College respectively.

The Mankato State Indians defeated Luther College 13½ - 1½

"Look ahead and look to the best."

The second annual "W" Club Day was held last Saturday, May 18. Dr. Robert Campbell said that it was very successful. There were 33 athletes and seven coaches attending the event with another twenty or so saying they would look over the facilities at a later date.

The visiting athletes registered, saw a movie, had a luncheon at the cafeteria, and were guests at a baseball game and the water show.

Warrior track coach Bob Kieser took 16 men to the NAIA track meet saying, "Our best bet to score some points is in the distances." It will be tough with Larry Pontinen unable to compete due to lameness from the Platteville meet.

Climaxing the yearly events of the Women's Physical Education Club was the banquet held at the Williams Hotel May 20.

Sixty-four physical education majors and minors and Susan Day, Margie Moravec and Joyce Locks attended the dinner.

MISTRESS of ceremonies for the program was Sharon Nelson.

Miss Day, WPE club advisor, recognized each of the 16 senior majors and presented each with a book concerning P.E.

Kathy Stork announced that Ruth Dahling is the recipient of the Jean Talbot Scholarship for the 1963-64 school year.

OFFICERS for the 62-64 school year will be Joy Plooster, president; Karen Grimm, vice-president; Madeline Litschke, secretary-treasurer.

Kathy Stork was chairman of the banquet. Jan Lubinski was in charge of the decorations.

Suitcase students: stay on campus; enjoy yourself

(Editor's Note: This article appeared in the Moorhead State College Mistic. We are reprinting it so that WSC students will know that they are not unique in all respects.)

So you don't stay at Moorhead State on weekends? Well, hasn't anyone ever told you that your classmates and area residents call you a "suitcase" student? Well, let's consider just how insecure and irrational you really are.

THE LIBRARY is open for a total of three hours on weekends. Sports are an ever-popular change of pace. A tour of the campus will reveal beautiful Nemzek Fieldhouse, its fine handball courts, basketball, shuffleboard and badminton facilities dimmed behind locked doors.

SWIMMING POOLS are here for your benefit. You can use them during the week.

To get a bite to eat on campus between meals, you can take a bus uptown (40 cents) and eat at a cafe.

WHEN THE WEEKEND comes, play a little pingpong, read a bit of Shakespeare or just sit back, light your pipe, or do some knitting, and relax — dreaming of the handball courts, the swimming pool, the research library, the basketball gym and the snack bar that will be available to you on Monday.

WPE ends year with banquet as Day lauds girls

A spaghetti dinner held at Prairie Island culminated the yearly program of the women's recreation association.

Softball games and a short meeting preceded the dinner. Co-chairmen for the picnic were Gretchen Koehler and Karen Grimm.

STATE'S WRA placed sixth in the fourth period of the National Bowling Telegraphic Meet sponsored by the D.G.W.S. (Division of Girls and Women Sports). Sharon Keller and Elaine Rotty each placed in the top ten single games for the fourth period.

The WRA ranked eighth in the national when total points for the four periods were accumulated.

The final standings in the WRA bowling league finds the M-J's and the Hal-Rod Hustlers tied for top position. A roll-off will be held to break the tie.

HIGH individual game honors for May 15 were shared by Sharon Keller and Kathy Cody (176). The M-J's took high two game and single game team series, 1635-879.

Final team standings are:

	Won-Lost
Hal-Rod Hustlers	10 - 4
M-J's	10 - 4
K-S Splits	9 - 5
M-F's	8 - 6
Conway Cards	7 - 7
